Mary,

I really appreciate all your efforts to complete this information and research through the city's files for closed dates. This is the best return I have received to date, in fact I did nothing to clean-up your file and just forwarded it to our computer people.

Thanks again for your help.

Subject: SPIFFY Server and Seller Training Invitation 9/14 and 9/15

Dear Licensing Boards/Commissions,

In an effort to reduce underage drinking the SPIFFY coalition will be hosting a TIPS training and a MassPack training for alcohol servers and sellers. I have attached the registration forms that were mailed today to all alcohol license holders in Hampshire County. If you have an email list of alcohol licensees, I would greatly appreciate it if you can forward this information to them. The SPIFFY Coalition is subsidizing the cost of the training and only charging \$10 and \$15 per person for the trainings (a \$30 discount).

In addition, we would like to invite you or any member of your licensing commission or other city officials how are interested to attend at no cost. We do ask that you send in a registration form as seating is limited to 35 for each training. If we have a large response, we may set up a second training date.

The server training (TIPS) will be held on Monday, September 14th from 5:00-10:00 p.m. here at HEC
The off-premise training (MassPack) will be held on Tuesday, September 15th from 6:30-9:30 p.m. at the Amherst Police Department. Pizza will be served! Registration is required.

This is a great opportunity to find out more about the laws and best practices surrounding fake ID's, underage drinking, and over-intoxication.

I will be away until September 1st but please feel free to contact me after that with questions.

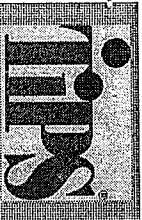

Heather
